### Aspekt Does It All

Disclaimer: The Aspekt Touch offers an optional selection of stands - the Raise Stand, the folding Aspekt Fold Stand, and the sleek Omni Fold Stand with built in Mac Mini Mount.

Aspekt Touch 4K Ultra-High Definition Docking Monitors combine the extraordinary brightness, colour accuracy and advanced touchscreen technology of our Clarity Touch monitors with ALOGIC's industry-leading integrated docking station technology, creating a spectacular centrepiece at the heart of your desktop that provides all the connectivity you need to get things done.

With 145W of USB charging for your laptop and up to four USB accessories, multi-monitor daisy chain connectivity, Gigabit Ethernet for fast and secure networking all delivered over a single USB-C cable, Aspekt's cutting-edge connectivity makes it the monitor of choice for anyone who wants to reduce the cables on their desk.

Aspekt Touch is the apotheosis of ALOGIC's years of engineering expertise in high-end touchscreen displays and advanced docking stations. It also might just be the last monitor you ever need.
