HP 125 Wired Keyboard (AY2Y7AA)

Every Day Productivity

Think how much you use your keyboard. That's why we've taken the time to design a keyboard that is comfortable to use so you can work productively every day - and all day if necessary.

Designed for Comfort
The three zone, full size HP 125 Wired Keyboard includes 0-6 degree adjustable feet so you'll be able to type comfortably. Plus, an LED indicator for the Caps and Number easily reminds you when these features are active.

Plug and Play Connectivity
Connecting some peripheral devices can be a complex and time consuming task. Who needs that? With easy plug and play USB connectivity, you can get your keyboard connected quickly so you can get on with your work day.

Easy Cleaning
Use your keyboard every day and it will accumulate dirt and grime. Over time, this can affect how it performs. Because it was specifically designed to withstand every day cleaning with disinfecting wipes,[1] this is one keyboard that's a snap to keep clean.

Featuring

The Key to AI
With one key, access the power of Microsoft Copilot, an AI powered assistant that helps you simplify tasks, collaborate, and work smarter. Find answers from across the web, personalize your apps, or get creative with text, photos, and videos. [4]
