

Pro Fit™ Ergo KM680 EQ Rechargeable Desktop Set

Part Number: K72486NA | UPC Code: 0 85896 72486 5

Comfortable,
versatile, and
convenient.

Many professionals experience discomfort and inefficiency when relying on standard keyboards and mice. Many lack ergonomic support, require manual device switching, and use disposable batteries.

The Pro Fit™ Ergo KM680 EQ Rechargeable Desktop Set is designed for comfort and productivity, catering to multitaskers who work across multiple devices.

Easily connect and switch between up to three devices, enjoy all-day comfort with a full-size split keyboard, enhance productivity with programmable mouse buttons, and minimize interruptions in your workflow with long-lasting rechargeable batteries. Partially made from recycled materials, this set offers comfort, versatility, and convenience.

- Supports up to 3 devices via Bluetooth® and 2.4GHz USB receiver with 128-bit AES encryption
- Ergonomic full-size keyboard with split layout, quiet non-stick keys, wrist pad, and tilt legs
- Six-button mouse with three DPI settings
- 14 programmable keys, 5 programmable buttons, and a dedicated Copilot AI key*
- Outer cases (including keycaps) made with 39% post-consumer recycled (PCR) content**
- Long-lasting rechargeable batteries
- Swift Pair for Windows
- LED indicators for Num Lock, Caps Lock, Scroll Lock, battery life, and pairing
- Windows and macOS
- 3-year limited warranty

*Copilot AI key works with Windows only.

**Excludes PCB assembly, rechargeable battery, 2.4GHz dongle, and charging cable.

Pro Fit™ Ergo KM680 EQ Rechargeable Desktop Set

Part Number: K72486NA | UPC Code: 0 85896 72486 5

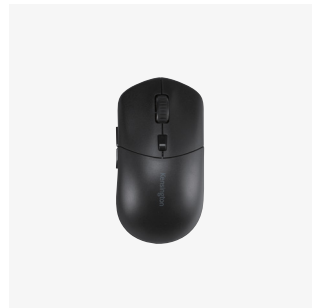

Multi-Device Wireless Connectivity

Supports up to three devices—two via Bluetooth® connections and one via the 2.4GHz USB-A receiver with 128-bit AES government-grade encryption security for a reliable connection up to 10m away. Windows and macOS compatible.

Ergonomic Full-Size Keyboard

A full-size split layout with an integrated wrist pad and front-positioned tilt legs promotes proper wrist alignment and may help minimize strain during prolonged use. Offers quiet, non-stick keys and LED indicators for Num Lock, Caps Lock, Scroll Lock, battery status, and device pairing.

Full-Featured Mouse

Provides a six-button layout with left/right, forward/back, and scroll/middle-click buttons for efficient navigation. A high-definition optical sensor with three DPI settings (1000/1600/2400) ensures cursor precision.

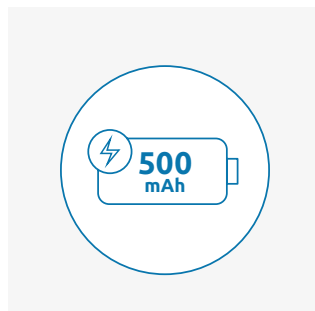

Programmable Keys/Buttons + Copilot AI Key

Offers 14 programmable keyboard keys, 5 programmable mouse buttons, and a dedicated Copilot AI key* to enhance your workflow using KensingtonWorks™ software. Quickly access macros and key commands to support effortless multitasking.

Sustainability Attributes

The plastic used in the outer cases (including keycaps) of this keyboard and mouse set is made with 39% post-consumer recycled (PCR) content** – and the set is shipped in FSC® certified packaging.

Rechargeable 500mAh Batteries

The batteries support up to 4 months of use on a single charge*** and recharge easily via USB-C®. Includes USB-A to USB-C® charging cable.

Swift Pair Technology

Features Swift Pair for faster, hassle-free Bluetooth® connections with compatible Windows devices.

*Copilot AI key works with Windows only.

**Excludes PCB assembly, rechargeable battery, 2.4GHz dongle, and charging cable.

***Battery life may vary based on usage.

Pro Fit™ Ergo KM680 EQ Rechargeable Desktop Set

Part Number: K72486NA | UPC Code: 0 85896 72486 5

System Requirement

1 x USB-A port	for charging
1 x USB-A port	for shared wireless dongle
Operating Systems Supported	Windows and macOS

Product Features

Connection	2.4GHz, Bluetooth® 5.4
