Connectrac
3-Foot Express Under-Carpet Extender
Part No. XPU3E

The 3-Foot Express Under-Carpet Extender is the ideal solution for extending power and connectivity across open floor spaces without the need for core drilling or raised flooring. Designed to work seamlessly with Express Under-Carpet Kits, this extender adds three feet of flexible, low-profile power distribution, making it perfect for offices and conference rooms.

Features & Benefits

Add on to reach your desired raceway length

Hides seamlessly under carpet

Meets ADA compliance standards
